Dear New Patient

You have applied to become a patient of the practice. If you are prescribed Diazepam, Temazepam or other Benzodiazepines and /or strong painkillers please read the following.

The practice is currently taking patients off these medications and will not be prescribing these drugs to new patients, but will help you to reduce and stop these medicines.

If you wish to become registered with this practice you must agree to this change in your medication.

Please sign and tick the relevant box below:

I have read the above information and

1. I agree to commence reduction programme for Diazepam, Temazepam or other Benzodiazepines and /or strong painkillers as part of the policy of the practice for registration of new patients.

2. I DO NOT agree to commence reduction programme for Diazepam, Temazepam or other Benzodiazepines and /or strong painkillers and therefore DO NOT wish to join this practice.
